Hit 'N Mix Roll-Up

Held every day during the week, our Hit 'N Mix roll-up groups provide the perfect blend of tuition and practice. Hosted by one of our experienced golf professionals, these sessions are open to men and women of all abilities who are looking to improve their game while socialising with others. Range balls, equipment (if required) and tea/coffee afterwards is included in the price!

NO BOOKING REQUIRED

Ladies Roll-Up

Fun, friendly and professional group coaching that will benefit all abilities! Each week will cover a different aspect of the game including long game, pitching, chipping, putting, and game management.

As the name suggests there's no need to book, just roll-up at the start time to enjoy the session with a fantastic group of ladies. Range balls, equipment (if required) and tea/coffee afterwards is included in the price!

NO BOOKING REQUIRED

Break 100 Club

This programme is for beginner and intermediate players who either have a club handicap or are looking to gain one soon. The sessions will include video analysis, irons, driving, pitching and short game drills, as well as on-course management and decision-making. This session will help you consistently score below 100!

Short Game Series

The short game holds the key to better scores - say goodbye to wasted shots and hello to more consistent scoring!

PGA Professional Mark Peddar will take members of this group through a series of short game sessions that include escaping the bunker first time, controlling your distances, striking your chips, and lowering your putting stats. Starting on 23rd April, this roll-up group will involve practise on the range and golf course.

Range balls, equipment (if required) and tea/coffee afterwards is included in the price!

NO BOOKING REQUIRED

Golf Express

Why not play golf, have fun and enjoy some on-course experience - all in one day! PGA Professional Julian Reason is hosting a number of Golf Express days which will include PGA tuition, unlimited practise balls, hire of clubs if required, video analysis, trackman data, and green fees.

Only £99 per person, limited to a maximum of 8 people.

BOOKING REQUIRED

Swing By Numbers

Come and enjoy a session on Trackman Technology! Held on the first and last Friday of every month, Julian's session will give you the tools to jump ahead - helping you to increase your distance, understand your golf swing, and track how far you hit your clubs! Trackman Technology includes ground-breaking club and ball tracking golf radar systems and the best performance-enhancing software available in the industry today.

This 2-hour session costs only £25.00 per person and is limited to a maximum of 6 people.
