

GROWING GOLF ACADEMY

ADULT COACHING

Update on Operating Procedures

Following the guidance from the government and further advice from The PGA, we can now deliver GROUP coaching as well as INDIVIDUAL coaching. It is important that everyone attending is aware of the new guidelines we are employing:

Groups are strictly limited to 5 players and 1 coach. The groups **cannot** exceed this so all players must be booked on to the coaching session prior to attending.

All players and coaches will be spaced according to government guidelines throughout the session.

All sessions will take place outside in the fresh air.

99% of players have their own equipment, but for those who do not, all our equipment will be regularly cleaned.

Golf balls will be washed regularly between sessions.

Hand sanitiser will be used by the coach prior to the lesson and will be offered to each player. (We understand some will have their own).

We urge anyone with symptoms or within the “at risk group” to stay at home.

We are looking forward to seeing everyone!!

GROWING GOLF ACADEMY

JUNIOR COACHING

Update on Operating Procedures

Following the guidance from the government and further advice from The PGA we can now deliver GROUP coaching. It is important that everyone attending is aware of the new guidelines we are employing:

According to PGA guidance groups are now limited to 15 players and 1 coach, however, to maintain safety and coaching quality, we have decided to make the limit 8 to 1. All players must be booked on to the coaching session prior to attending.

Parents will be asked to drop off and pick up from a distance. If the parent is comfortable, we would ask them to allow the child to walk to and from the car park on their own. (Some children do this already).

All players must arrive and be picked up on time to limit waiting around.

All players and coaches will be spaced according to government guidelines throughout.

All sessions will take place outside in the fresh air

99% of players have their own equipment, for those who don't all equipment will be regularly cleaned.

Golf balls will be washed regularly between sessions.

Hand sanitiser will be used by the coach prior to the lesson and will be offered to the player. (We understand some will have their own).

We urge anyone with symptoms to stay at home.

We are looking forward to seeing everyone!
